Dear Sir:

Proposed Claim amendments in response to the Final Office Action dated September 11, 2002. You gave your approval to send proposed claim amendments in a telephone conversation on Oct. 25, 2002.

In the Claims:

Proposed amendments of 1, 21, 24 and 35. Proposed cancellation claims 14-20.

1. (Three times Amended) A gaming machine comprising:
master gaming controller designed or configured to control a game of chance played on the gaming machine wherein the gaming machine is operable for each played game of chance to:

- 1) receive a wager on an outcome for the played game of chance,
- 2) receive a prize selection corresponding to an award for at least one outcome for the played game of chance wherein the received prize selection is a potential award for the played game of chance for which the wager was received,
- 3) determine the outcome for the played game of chance with the received wager and the received prize selection and
- 4) display the outcome for the played game of chance and
